## Lab

August 2025

### Assignment 6: Web Designing

Maximum Marks: 100

Start Date: 03.11.2025 02:30 PM

Submission Deadline: 09.11.2025 11:59 PM

---

#### Instructions:

1. This is an open book assignment.
  2. This assignment must be done individually.
  3. *For late submissions, 10% is deducted for each day (including weekend late after an assignment is due).*
  4. You need to submit assignment in Google Classroom.
  5. You should submit **only PDF document** and name it as your **RollNo**. You should also **mention your name, roll number** in your assignment.
- 

**Question:** Design and build a single-page personal website that effectively showcases your skills, experiences, and professional identity.

- Utilize HTML, CSS, and JavaScript (or other) to create an interactive and visually appealing website.

#### Submission:

- Submit your website's URL (preferably host on GitHub) along with the website code in the PDF.

**Note:** Feel free to customize it based on your specific goals and interests.
